MR. BELCOURT: Okay. MR. Parker, again, Tony Belcourt. One of the things that I think needs to be addressed too is payment limitation on tribes. There's a lot of confusion on payment limitation. And too many times you talk about some of these tribes with a million acres, they'll reach payment limitation on the first go around, which somehow we need to get that eliminated or addressed by tribes.

MR. RACINE: Richard, were you headed to --
